CLERK, U.S. DISTRICT COURT  
AT BALTIMORE  
DISTRICT OF MARYLAND

DEPUTY

AM

BY  
I am writing the Court as Executive Director of TGO. Scott S. Oakley dismissed the appeal to the 1st incident of the Complaint claiming I did not give them a "brief" statement and "not more than one claim for relief".

Then, the following day Associate Director of TGO Paula R. Williams deliberately dismissed the 2nd incident of the Complaint.

\* Appeal to 3rd Incident in the Complaint is pending by TGO as the Commissioner totally failed to respond.

Mr. Oakley and Mrs. Williams states that they dismissed the grievance "As having been determined to be wholly lacking in merit".

under such circumstances it is necessary to seek state judicial review by state court to satisfied with 42 U.S.C. 1997e(a)? If necessary I would need to know before 4/25/13 in order to meet the deadline

sincerely
